

## JUNIOR GIRLS

Zizi-Mai, Lilia, Ronnie and Georgia figured largely in the R&A promotional material for recruiting and retaining girls in golf. This has been distributed nationwide and is a fantastic promotional tool for our club.

On 1<sup>st</sup> November Enville welcomed 8 junior girls to a 'Bring a Friend' coaching session. Great fun was had by all, some excellent chipping and putting was observed and prizes were awarded to two pairs of girls who excelled in both. Our current junior girls members impressed with their excellent coaching tips. We were so glad we managed to squeeze that session in before the next lockdown began.

On Sunday 20<sup>th</sup> December we hosted a pre-Xmas reunion with 5 of our original 2019 Girls Golf Rocks members. It was wonderful to welcome: Alexsia, Amber, Layla, Jess and Faye back. Despite the cold they all did well and were soon chipping expertly and putting well too. At the end of the session they were treated to a takeaway hot breakfast roll, hot chocolate and Christmas gift from the club.
